INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
Area Agency on Aging of Pasco-Pinellas, Inc.

Report on the Financial Statements
We have audited the accompanying financial statements of Area Agency on Aging of Pasco-Pinellas, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Area Agency on Aging of Pasco-Pinellas, Inc. as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Other Matters

Report on Summarized Comparative Information

We have previously audited Area Agency on Aging of Pasco-Pinellas, Inc.’s 2018 financial statements, and our report dated August 19, 2019, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state projects, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated August 31, 2020, on our consideration of Area Agency on Aging of Pasco-Pinellas, Inc.’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Area Agency on Aging of Pasco-Pinellas, Inc.’s internal control over financial reporting and compliance.

Notes to Financial Statements  
December 31, 2019

Note 1 – Organization, Programs, and Summary of Significant Accounting Policies:

Organization
The Area Agency on Aging of Pasco-Pinellas, Inc. (AAAPP) was established in April 2000 as a not-for-profit organization providing funding to various service providers in Pasco and Pinellas County for services to persons 60 and older as well as those with disabilities. Support for these services is provided by federal and state governmental entities.

Programs
DOEA Pass Through Programs

- Older Americans Act (OAA)—This funding provides services such as Adult Day Care, Counseling, Chore, Homemaker, Transportation, Congregate Dining and Home Delivered Meals to persons age 60 and older.

- Community Care for the Elderly—Provides community-based services organized in a continuum of care to help functionally impaired elders live in the least restrictive yet most cost-effective environment suitable to their needs.

- Home Care for the Elderly—Supports care for persons age 60 and older in family-type living arrangements within private homes, as an alternative to institutional or nursing home care. A basic subsidy is provided for support and maintenance of the elder, including some medical costs. A special subsidy may also be provided for services and/or supplies.

- Alzheimer’s Disease Initiative—Provides a continuum of services to meet the changing needs of individuals with, and families affected by, Alzheimer’s disease and related disorders.

- Local Service Program—Provides additional funding to expand long-term care alternatives enabling elders age 60 or older to maintain an acceptable quality of life in their own homes and avoid or delay nursing home placement.

- Emergency Home Energy Assistance for the Elderly—Assists low-income households, with at least one person age 60 and older, when the households are experiencing a home energy emergency.

AAAPP provides services to adults with disabilities and persons 60 and older. Services provided are as follows:

Information and Referral—This service guides individuals to community resources, including government funded programs, non-profit agencies, and for-profit business serving Pinellas and Pasco counties.

Caregiver Support Program—The National Family Caregiver Support Program helps unpaid caregivers of any age caring for persons 60 years of age or older. The goal of this program is to relieve the emotional, physical and financial hardships of providing continual care.

Older Americans Act Intake—Provides screening, re-screening and prioritization for the services provided under the Older Americans Program that range from single services like homemaker, adult day care transportation and nutrition.
Note 1 – Organization, Programs, and Summary of Significant Accounting Policies – Continued:

Community Care for the Elderly Intake- Provides screening, re-screening and prioritization for the CCE program that range from single services like nutrition and adult day care to case managed programs that provide a continuum of in-home supportive services.

Alzheimer’s Disease Initiative Intake-Provides screening, re-screening and prioritization for the ADI program that range from single services like respite, adult day care to case managed programs that provide a continuum of in-home supportive services.

Emergency Home Energy Assistance for the Elderly-The AAAPP manages the program and provides monitoring, training, and technical assistance to the service providers in Pasco and Pinellas counties.

Serving Health Insurance Needs of Elders (SHINE)—The SHINE program provides free, unbiased and high-quality health insurance counseling through a dedicated network of SHINE volunteers, empowering individuals to make informed health care choices.

Title VII Elder Abuse—Provides education, training and information services focused on the prevention of elder abuse, neglect and exploitation.

Medicaid Specialist—Provides services to facilitate entry into the long-term care service system, screen for potential Medicaid eligibility, and maintain the APCL for publicly-funded long-term care programs and services.

Aging and Disability Resource Center (ADRC)—The ADRC screens, rescreens and prioritizes individuals who are seeking help from federal and state funded programs in order to remain independent in the community. The ADRC assists clients who need community based long-term care through the statewide Medicaid managed care long-term care program. The ADRC provides long-term care education and assists with Medicaid eligibility for persons 18 or older and determined disabled by the Social Security Administration, or be age 65 or older and enrolled in Medicare PARTS A and B.

Victims of Crime Act (VOCA)—This federal assistance grant provides funding for use in responding to the emotional and physical needs of crime victims, assisting victims in stabilizing their lives after their victimization, helping victims to understand and participate in the criminal justice system and providing victims with a measure of safety and security.

Other Programs
Veterans Directed Home and Community Based Services (VDHCBS)—This program provides eligible veterans of any age who are determined by the Veterans Administration to be at risk of institutional placement the opportunity to hire employees deciding for themselves what mix of goods and services will best meet their needs to help them live independently.

Note 1 – Organization, Programs, and Summary of Significant Accounting Policies – Continued:

Basis of Presentation
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Agency and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no net assets with donor restrictions as of December 31, 2019.

Cash and Cash Equivalents
For purposes of the statement of cash flows, the Agency considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Due from Grantors
Amounts due from grantors represent amounts receivable from grantor agencies for allowable expenses incurred before December 31, 2019. Management believes all expenses are allowable under the grant requirements and are fully collectible. As such, no allowance for doubtful accounts is considered necessary.

Due to Subrecipients
Amounts due to subrecipients represent amounts requested for reimbursement from the Agency for allowable expenses incurred by the sub-recipients before December 31, 2019.

Property and Equipment
Property and equipment are recorded at cost or, if donated, at the fair market value at the date of donation. The Agency capitalizes purchases over $1,000 and depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 3 to 5 years.

Liability for Amounts Held on Behalf of Others
In accordance with current accounting standards on Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions to Others, the Agency recognizes a liability for funds received and held for the sole benefit of another Organization.
Note 1 – Organization, Programs, and Summary of Significant Accounting Policies – Continued:

Refundable Advances
Refundable advances represent advances from third parties that require the Agency to achieve certain objectives. Should the Agency not achieve these objectives, the funds would be returned to the third party.

Revenue Recognition
Grant funds are deemed to be earned and reported as revenues when expenditures are incurred in compliance with specific grant requirements (reimbursable expenditures).

In-Kind Contributions
Contributions of non-cash assets are recorded at estimated fair value in the period received. In accordance with GAAP, the Agency records contributed services received create or enhance long-lived assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Many volunteers have contributed significant amounts of time to activities of the Agency without compensation. The financial statements do not reflect the value of those contributed services because they do not meet the above recognition criteria. The estimated fair value of the volunteers is approximately $25,000.

Advertising Costs
The Agency charges costs of advertising to operations as incurred. Advertising expenses were approximately $4,078 for the year ended December 31, 2019.

Donated Services
The Agency recognizes donated services that create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Contributions
Contributions that are restricted by the donor are reported as increases in net assets without restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with restrictions. When a restriction expires, these are reclassified to net assets without restrictions.

Income Tax Status
The Agency has been determined to be an organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. Income from certain activities not directly related to the Agency’s tax-exempt purpose is subject to taxation as unrelated business income.

Management has evaluated the effect of accounting standards relating to accounting for uncertainty in income taxes. Management has determined that the Agency had no uncertain income tax positions that could have a significant effect on the financial statements for the year ended December 31, 2019. The Agency’s federal income tax returns are subject to examination by the Internal Revenue Service, generally for three years after the federal income tax returns were filed.
Note 1 – Organization, Programs, and Summary of Significant Accounting Policies – Continued:

Expense Allocation
The cost of providing various programs and other activities has been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Property and Equipment
Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as support without restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies net assets with restriction to net assets without restrictions at that time.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Comparative Information
The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Agency’s financial statements for the year ended December 31, 2018, from which the summarized information was derived.

Note 2 – Uninsured Cash Balances:

The Agency maintains its cash balances at financial institutions located in St. Petersburg, Florida. Accounts at each financial institution are secured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per customer. The Agency from time to time may have amounts on deposit in excess of the insurance limits. As of December 31, 2019, the Agency had cash and cash equivalents of approximately $3,074,000 which exceeded the insured amounts.

Note 3 – Concentrations:

The Agency’s activities are conducted in Pinellas and Pasco County, Florida and are supported by funding provided by government agencies. The Agency is dependent upon grants from federal and state agencies for its principal source of revenues. A significant decline in funding to the Agency could adversely affect the operating results of the Agency.

Note 4 – Property and Equipment:

Property and equipment consist of the following:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Furniture and equipment</td>
<td>$186,254</td>
</tr>
<tr>
<td>Less: accumulated depreciation</td>
<td>$(164,952)</td>
</tr>
<tr>
<td>Net property and equipment</td>
<td>$21,302</td>
</tr>
</tbody>
</table>

The Agency has restrictions on disposals of fixed assets pursuant to grantor contracts. The Agency can gift fixed assets to its provider or dispose of fixed assets with the permission of the provider. During the year ended December 31, 2019, the Agency did not dispose of any furniture and equipment.

Note 5 – Lease Commitments:

The Agency leases office space in St. Petersburg, Florida under a lease accounted for as an operating lease maturing in January 2028. The Agency also leases office equipment under several operating leases, which expire between 2019 and 2020. At the end of the lease terms, theses leases are subject to renewal at the discretion of the lessors. Total rent expense for the year ended December 31, 2019 was $284,405.

Future minimum lease commitments are due as follows:

<table>

<td>317,391</td>
</tr>
<tr>
<td>Thereafter</td>
<td>1,007,083</td>
</tr>
</tbody>
</table>

Note 6 – Employee Benefit Plan:

The Agency has established a 401(k) profit-sharing plan which covers all full-time employees who complete 6 months of service and choose to participate in the plan. Employees are fully vested after 5 years of service or when the participant has reached retirement age or upon death or disability. Annual contributions of the Agency are voluntary and are made at the discretion of the Board of Directors. For 2019, the Board of Directors approved a contribution of 10% of all eligible employee salaries, which was $186,414 for the year ended December 31, 2019.

Note 7 – Contingency:

Expenditures incurred by the Agency and the subgrantees are subject to audit and possible disallowances by federal and state agencies. The Agency would be responsible for recovery (reimbursement to the grantor agency) of disallowed amounts incurred by subgrantees if they were not able to repay the amounts disallowed. It is the opinion of management that no grant expenditures would be disallowed.
Note 8 – In-kind Contributions:

The following schedule summarizes the in-kind contributions received for the year ended December 31, 2019:

<table>
<thead>
<tr>
<th>Item</th>

<td>8,540</td>
</tr>
<tr>
<td><strong>Total In-kind contributions</strong></td>
<td><strong>$ 538,129</strong></td>
</tr>
</tbody>
</table>

Note 9 – Liquidity:

The Organization receives the vast majority of its funding from federal and state grants for programs. Funding provided by these grants is primarily based on reimbursements of costs incurred or unit-based funding formulas. In addition, certain grants allow for cash advances to provide cash flow. These grants fund programs, the services of which are provided by the Organization and subrecipients. Requests for reimbursement are prepared monthly by the Organization and submitted to the grantor agencies. Likewise, subrecipients provide monthly requests for reimbursement to the Organization. The Organization’s contracts and agreements specifically state that subrecipients will not be reimbursed for services until the organization receives payment from the grantor. As a result, the focus of the Organization’s liquidity management is to have sufficient cash available to pay subrecipients on a timely basis. During the year ended December 31, 2019 the Organization was able to meet this objective.

As of December 31, 2019, the following financial assets could readily be made available within one month of the balance sheet date to meet amounts due subrecipients and other general expenditures:

<table>
<thead>
<tr>
<th>Item</th>
<th>Amount</th>
</tr>
</thead>

<tr>
<td>Cash and cash equivalents</td>
<td>$ 3,016,540</td>

</tr>
<tr>
<td>Less amounts due to subrecipients</td>
<td>(3,649,378)</td>
</tr>
<tr>
<td>Net financial assets</td>
<td>$ 2,801,595</td>
</tr>
</tbody>
</table>

Note 10 – Subsequent Events:

Subsequent events have been evaluated through August 31, 2020, which is the date the financial statements were available to be issued.

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Organization’s financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Organization is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2020.

Notes to Schedule of Expenditures of Federal Awards
and State Financial Assistance
December 31, 2019

Note 1 – Basis of Presentation:

The accompanying schedule of Expenditures of Federal Awards and State Financial Assistance includes the federal and state grant activity of the Agency and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with GAAP as applicable to non-profit organizations, and the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General of the State of Florida.

Note 2 – Indirect Cost Rate:

The Agency does not use the 10% de minimis indirect cost rate.

Note 3 – Contingency:

Expenditures as incurred by the Agency and the subrecipients are subject to audit and possible disallowances by federal and state agencies. The Agency would be responsible for recovery (reimbursement to the grantor agency) of disallowed amounts incurred by subrecipients if they were not able to repay the amounts disallowed. Management believes that, if audited, any adjustment for disallowed expenses would be immaterial.
INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Area Agency on Aging of Pasco-Pinellas, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of
America and the standards applicable to financial audits contained in Government Auditing Standards
issued by the Comptroller General of the United States, the financial statements of Area Agency on
Aging of Pasco-Pinellas, Inc. (a nonprofit organization), which comprise the statement of financial
position as of December 31, 2019, and the related statements of activities and changes in net assets,
functional expenses and cash flows for the year then ended, and the related notes to the financial
statements, and have issued our report thereon dated August 31, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Area Agency on Aging
of Pasco-Pinellas, Inc.’s internal control over financial reporting (internal control) to determine the audit
procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the
financial statements, but not for the purpose of expressing an opinion on the effectiveness of Area
Agency on Aging of Pasco-Pinellas, Inc.’s internal control. Accordingly, we do not express an opinion
on the effectiveness of the Organization’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow
management or employees, in the normal course of performing their assigned functions, to prevent, or
detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a
combination of deficiencies, in internal control, such that there is a reasonable possibility that a material
misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a
timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control
that is less severe than a material weakness, yet important enough to merit attention by those charged
with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this
section and was not designed to identify all deficiencies in internal control that might be material
weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any
deficiencies in internal control that we consider to be material weaknesses. However, material
weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Area Agency on Aging of Pasco-Pinellas,
Inc.’s financial statements are free from material misstatement, we performed tests of its compliance
with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which
could have a direct and material effect on the determination of financial statement amounts. However,
providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, the Board of Directors, and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Board of Directors
Area Agency on Aging of Pasco-Pinellas, Inc.

Report on Compliance for Each Major Federal Program and State Project
We have audited Area Agency on Aging of Pasco-Pinellas, Inc.’s compliance with the types of compliance requirements described in the OMB Compliance Supplement and the requirements described in the Department of Financial Services’ State Projects Compliance Supplement that could have a direct and material effect on each of Area Agency on Aging of Pasco-Pinellas, Inc.’s major federal programs and state projects for the year ended December 31, 2019. Area Agency on Aging of Pasco-Pinellas, Inc.’s major federal programs and state projects are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility
Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor’s Responsibility
Our responsibility is to express an opinion on compliance for each of Area Agency on Aging of Pasco-Pinellas, Inc.’s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.650, Rules of the Auditor General of the State of Florida. Those standards, the Uniform Guidance and Chapter 10.650 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state projects occurred. An audit includes examining, on a test basis, evidence about the Organization’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state financial assistance. However, our audit does not provide a legal determination of Area Agency on Aging of Pasco-Pinellas, Inc.’s compliance.

Opinion on Each Major Federal Program and State Projects
In our opinion, Area Agency on Aging of Pasco-Pinellas, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2019.

Report on Internal Control Over Compliance

Management of Area Agency on Aging of Pasco-Pinellas, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Area Agency on Aging of Pasco-Pinellas, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program or state financial assistance project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state financial assistance project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Area Agency on Aging of Pasco-Pinellas, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of management, the Board of Directors, and others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
