Ann Marie Winter  
Executive Director  
Area Agency on Aging of Pasco-Pinellas, Inc  
9549 Koger Blvd, Ste 100  
St. Petersburg, FL 33702

Dear Ann Marie:

It is with regret that I submit my resignation from the board of directors of the Area Agency on Aging of Pasco-Pinellas effective this date. I have been honored to have served elders and disabled adults throughout our area in this capacity since coming onto the board in 1996.

Given my age and several medical indicators putting me at high risk for Covid, I am unable to attend the board meetings in person. Since the Governor is unwilling to extend the public meeting in-person exception to our boards and advisory councils, generally made up of older adults often with medical risks, I am unable to continue my service to the AAA. In all my years on this board, I doubt I have had more than a half dozen board meeting absences. I've been honored to have served as chair of the board and each of the other officer positions over this period. However, if I can't fulfill my duties of attending board meetings, I will resign to allow the board to select another person to fill my slot.

I will continue to support you, the organization, and the people of Pasco/Pinellas going forward in any way possible. I chair the board of Suncoast Hospice and am past chair and current member of 211 Tampa Bay Cares board of directors. Both of those organizations have an intense focus on the needs of seniors and disabled.

Best wishes to you and the Board in its future endeavors.

Sincerely,

Martha Lenderman
