

AGENDA ITEM #6

PINELLAS COUNTY
Christine Didion, Director of Program Accountability**

The AAAPP Board approved timeline for the above referenced RRP requires that any entity wishing to submit an application in response to the RFP send a mandatory Letter of Intent to the AAAPP by September 13, 2023. No viable Letters of Intent were received, and the RFP will be terminated. Staff recommend that AAAPP submit a Direct Service Waiver to DOEA to seek approval to provide Chore Services directly to seniors in Pinellas County.
