March 10, 2022

Brian Hoben, Community Services Director
Pasco County Community Services
8620 Galen Wilson Blvd.
Port Richey, FL 34668

Dear Mr. Hoben,

Enclosed is the Annual Programmatic Monitoring report for the Emergency Home Energy Assistance for the Elderly Program (EHEAP).

The purpose of monitoring is to perform a programmatic review of operations and to verify that corrective actions resulting from previous monitoring reviews have been implemented. The monitoring objective is to ensure programs, policies and practices comply with state and federal rules and meet standards of good governance and practices.

The 2022 monitoring produced no findings and one recommendation. The cooperation of your staff timely submitting electronic documents during the desk review and monitoring process was appreciated.

Sincerely,

Ann Marie Winter
Executive Director

Enclosure

Danielle Bierman, Human Services Manager
Area Agency on Aging of Pasco-Pinellas, Inc.

2022 OLDER AMERICANS ACT MONITORING CHECKLIST

PROVIDER: Pasco County EHEAP
DATE(S) OF VISIT: March 4, 2022
PARTICIPANT(S): Danielle Bierman, Human Services Manager
MONITOR(S): Michelle Tavares, OAA Program Manager
FUNDING PERIOD: 2021-2022 Program Year
SITES VISITED: Monitoring completed via desk review
REPORT SUMMARY
(This section provides an overview of minor recommendations, significant, findings and positive/noteworthy activities recognized during the monitoring period. Details are outlined in the Contract Compliance and Service Delivery section of the report).

I. Recommendations for Improvement
(Recommendations require a written response from the provider)

• It is recommended that the provider dates all policies and procedures and reviews those at least every three years.

II. Findings/Corrective Action
(Findings result in a formal corrective action plan)

• There were no findings, and no corrective action is necessary.

CONTRACT COMPLIANCE AND SERVICE DELIVERY

Each standard will note at least one of the following:
• Achieved
• Partially Achieved
• Not Achieved
• Not Applicable
• Follow-Up Required
Standard #1 – Previous Programmatic Monitoring
All issues from the previous programmatic monitoring have been resolved within an established and reasonable timeframe.

Response: There are no previous issues from prior monitoring year.

Standard #2 – Signage
A. The Provider maintains posters at the EHEAP intake offices stating their non-discrimination policy that no person is excluded on the grounds of race, color, nation origin, sex, or age.
B. A policy that ensures no consumer fees charged or donations accepted from a consumer in order to receive EHEAP benefits and has a written notice stating “No money, cash, or checks, will be requested or received from customers in an EHEAP office. If an employee asks for money, report this to the agency Executive Director or Department Head”, posted in a conspicuous place at all points where EHEAP applications are received.
C. Appeal provisions are posted in a prominent place within the office where applications are taken.

Response: A site visit was not completed this year due to COVID-19.

Standard #3 – Policies and Procedures
A. Written policy and procedure for referral or access assistance to the “Lifeline Program” for elders who are on oxygen support and must have power.
B. Written policy and procedure which details allowable timeframes for applicants to submit required documentation, is missing at the time of application, before an application for services will be denied.
C. Written policies and procedure that defines the criteria and required verification to determine if a household has a “home energy crisis” and is eligible for crisis assistance.
D. Written policy and procedure concerning the use of funds for the purchase or repair of heating or cooling equipment that addresses under what conditions an applicant is eligible and what constitutes a crisis related to lack of heating and cooling.
E. Written policy and procedures regarding Florida Statute 119.071 (5) requiring any agency that collects social security numbers to provide a written explanation to the individual the reason for its collection.
F. Written policy and procedure addressing client confidentiality.
G. Written policy and procedure for computer system backup and recovery.
H. Written policy and procedure that address serving family members and employees.
Response: Achieved. It is recommended that the provider dates all policies and procedures and reviews those at least every three years.

A. The provider maintains a written policy and procedure for referral access or access assistance to the "Lifeline Program" which also addresses elders who are on oxygen as and must have power.

B. The provider maintains a written policy and procedure which details allowable timeframes for applicants to submit required documentation that it is missing at time of application, before an application for services to be denied.

C. The provider maintains a written policy and procedure that defines the criteria and required verification to determine if a household has a "home energy crisis" and is eligible for crisis assistance.

D. The provider maintains a written policy and procedure concerning the use of funds for the purchase or repair of heating or cooling equipment that addresses under what conditions an applicant is eligible and what constitutes a crisis related to lack of heating and cooling.

E. The provider maintains a written policy and procedures regarding Florida Statute 119.071 (5) requiring any agency that collects social security numbers to provide a written explanation to the individual the reason for its collection.

F. The provider maintains a written policy and procedure addressing client confidentiality.

G. The provider maintains a written policy and procedure for computer system backup and recovery.

H. The provider maintains written policy and procedure that address serving family members and employees.

Standard #4 - Coordination with LIHEAP& WAP

Provider coordinates with Department of Economic Opportunity (DEO) LIHEAP and Weatherization Programs:

A. MOUs with both LIHEAP and WAP are on file and reviewed and renewed every 5 years.
   - Refer to the most current EHEAP Technical Assistance Guide, specifically ‘Program Partners and Stakeholders Coordination’ for appropriate language.

Response: Achieved

The provider has a Memorandum of Agreement with Mid-Florida Community Services, Inc. which is current and on file to encourage coordination efforts on behalf of customers who are eligible for EHEAP or LIHEAP assistance.

Clients in need of a referral to the Weatherization Assistance Program are also directed to Mid-Florida Community Services, Inc. A Memorandum of Understanding with Mid-Florida Community Services, Inc. is current and on file regarding this process.
Standard #5 – Staff Training

Provider staff has received training pertinent to the performance of required functions:

A. Utilizing the DOEA 114 Application form.
B. DOEA standards for specific service training as outlined in the most current Technical Assistance Documents and/or Notice of Instructions.
C. Mandatory reporting of suspected abuse, neglect, self-neglect, and exploitation of the elderly training has been conducted, and include the number of reports that have been made YTD.

Response: Achieved

A. The provider submitted documentation that training was provided to staff on February 2, 2021, on using the appropriate application form. File reviews demonstrate that staff use this form correctly.
B. The provider submitted documentation supporting that DOEA compliant sufficient training was completed on September 29, 2021, which included EHEAP technical updates.
C. The provider submitted documentation supporting that eight staff members received training on the mandatory reporting of suspected abuse, neglect, self-neglect, and exploitation on December 1, 2021. No reports have been made during this monitoring timeframe to date.

Standard #6 – Home Energy Vendors

Contracts with home energy vendors are on file:

A. Payments are made directly to fuel providers on behalf of eligible consumers.
B. Vendor agreements with home energy suppliers meet contract requirements and are reviewed every five years.
C. EHEAP Providers who provide benefits payments made to vendors for energy related costs, such as blankets, fans, heaters, or air conditioners, comply with the vendor’s purchase agreement requirement (these do not require a “Vendor Agreement”).

Response: Achieved

A. Payments are made directly to providers in accordance with Pasco’s policies.
B. The provider submitted five vendor agreements. All agreements were reviewed, meet contract requirements, and are current.
C. Provider complies with payments related to vendors for energy related costs, such as blankets, fans, heaters, or air conditioners. This is in accordance with the EHEAP Voucher Procedure.
Standard #7 — Case Record Compliance

A sample of completed applications reviewed with the E HEAP Client File Content Checklist indicates:

A. Eligibility is correctly determined, based upon an Application for Emergency Home Energy Assistance for the Elderly Program, DOEA Form 114.
B. Application information is entered in CIRTS.
C. Applications are taken when there is a signed contract and adequate funding.
D. All program requirements listed on DOEA Form 211, are met.
E. Client files are labeled with the applicant’s name (last, first, middle), application date, and benefit season.
F. Home visits are made by the provider, if necessary.

Response: Achieved
A. A total of ten (10) client files were reviewed for this monitoring period. Five (5) were reviewed for the heating season and five (5) were reviewed for the cooling season. All files contained appropriate documentation and no concerns were noted.
B. All applications are entered into the CIRTS database by AAAPP Program staff. One CIRTS data entry error noted for one client file (household income). Error did not affect client eligibility status.
C. All applications were accepted, and services provided while a signed contract is in place and adequate funding is available.
D. All requirements listed on DOEA Form 211 are met.
E. Client files are appropriately labeled.
F. At this time, due to Covid-19, home visits are conducted at the discretion of the provider and client. Provider submits a monthly virtual assessment log documenting any visits completed virtually.

Standard #8 — Grievances and Appeals

Appeal process is in place:

A. The Notice of Approval/Denial form is provided on letterhead (with provider contact information), indicates what E HEAP benefit is furnished or reason for denial, and is signed and dates by the intake worker.
B. The provider has written appeal procedures in place that provide an opportunity for a fair administrative hearing to individual’s whose applications for assistance are denied.

Response: Achieved
A. The provider submitted a sample Approval/Denial form with letterhead that indicates what E HEAP benefit is furnished or a reason for denial. Client file reviews indicate the form is completed appropriately.
B. The provider maintains a written appeal procedure. The procedure was reviewed and provides the client with an opportunity for a fair administrative hearing.
Standard #9 – Budgetary Compliance
Provider has adequate procedures to ensure E HEAP funds are budgeted for assistance in both the heating and cooling season:

A. Policies and procedures denoting the allocation of funds per season.
B. When E HEAP funds are not available or insufficient, the Provider assists in securing other community resources.
C. The Provider has expended or is on track to expend all E HEAP budgets for the fiscal year observed.

Response: Achieved
A. The provider submitted a policy and procedure which denotes allocation of funds. Seasons are currently not being recognized. The current benefit cycle as instructed by DOEA is a 12-month cycle which allows households to receive multiple crisis benefits per program year, up to a maximum of $5000.
B. When funds are not available, the provider is able to refer individuals to other community partners that may be able to assist.
C. The provider is utilizing a monthly surplus deficit report which assists in keeping the provider on track with all budgets. The report is reviewed and any concerns of expending the budget are discussed.

Standard #10 – Outreach and Reporting
The Provider undertakes Outreach Initiatives to advertise the program to consumers and ensure utilization of funds:

A. The Provider maintains policies and procedures that encourage households to seek assistance prior to incurring non-energy penalties such as disconnect/reconnect fees, additional deposits, interest, or late payments.
B. Outreaches organizations that serve elderly consumers and especially those that serve seniors who meet E HEAP eligibility standards.
C. Completes an Outreach Plan Survey, due within 20 days of the contract execution date, to delineate all activities and efforts for the new program year, and to develop and share outreach ideas and strategies.

Response: Achieved
A. Provider maintains a policy and procedures that encourage households to seek prior assistance to incurring non-energy penalties.
B. The provider submits quarterly outreach reports that demonstrate the provider is outreaching to organizations that serve elderly consumers. In addition, the provider has also submitted their 2021 annual outreach report which is indicative of the same.
C. The provider has Outreach Plan Survey is on file with the AAAPP. The Outreach Plan Survey denotes all outreach efforts to be performed during the program year.

Page 7 of 8
Standard #11 – Report Compliance

EHEAP Provider submits reports on time and accurately:
   A. Monthly Client Service Report
   B. Surplus Deficit Report
   C. Quarterly Outreach Activity Report

Response: Achieved
   A. The provider submits monthly client service reports on time and appear accurate.
   B. The provider submits surplus deficit reports on time and are accurate.
   C. The provider submits the quarterly outreach activity report as requested and on time.
